James Blaine (james.blaine@???.com): Sincerest congratulations! Harriet and I are thrilled for your happy fortune.

Hugh McCulloch (hugh@???.com): Fantastic! We are so excited for the arrival of this little one. Please keep us posted.

Mary Arthur McElroy (marym@???.com): My dearest brother, what a wonderful expectation. My coming nephew (I'm quite confident in my prediction aren't I) will be such a blessing. I will be spoiling kind of auntie - be aware :) All my love - Mary

Jack Sprat (JackSprat@???.Com):

Molly Wittman Mills (mollyworld@???.com): this is fun!

---

sha'theed awesweepay (sa@???.com): Stay Cheesy!

President Johnson (e34@???.com): you smell funny!

Unlimited Storage (anon@???.com): Amazing to see such an oasis of the old Internet alive and kicking. No "Accept Cookies?", no moderation...

Unlimited Storage (anon@???.com): I can use this page as my own personal pinboard. Seems like the last entry was from 2012. I used to have such a place online. On awardspace.com. geocities.com didn't support PHP. Some providers did, but there were ads - many ads. awardspace.com was the only provider to have free PHP hosting without ads.
