Jode (joderama@???.com): I hope I will not win this pool based on a correct guess of the middle name.

dnm (): Congratulations. Here's hoping for a happy, healthy, strong lunged baby. ;)

Sanju (): I was going to say "Charlotte" for the baby name, but that would be a little weird since you live in Charlotte.

Of course, if MY parents had gone that route, my name would be "Bad" -- which would be pretty cool, actually!

Sorry about the e-mail thing, but congrats on your cub!

pentheseila (): I'm guessing small, but powerful. May have unexplained abilities. A good dose of moxie.

Annie (AngelaSchurman@???.com): WHOO HOO!

I can't wait to see baby girl Collin!

Veronica (): Other possible name: Jordine

Christina (): I don't care what she looks like, how much she weighs, when she comes...I JUST WANT TO MEET HER!!!!

Jeremy (jeremyspeer@???.com): I wanted a name that started with a B for the middle name so her initials would be ABC. I KNOW her first name is gonna be Amy though. Although, I reserve the right to claim alternate spellings for the win :) She is going be a lucky little girl to have two such great parents!

sandy (izshe32@???.com): I can't wait to hold her!!

M & D (): Tell her to wait until we get there to be born

Heather (heather_collin@???.com): Congrats! Can't wait to meet her, just wish it could be sooner!!

Sharon (smcollin@???.com): Birthdate is early because I can't wait!

Miss C (cathy_beveridge@???.com):

As a pair, you've always been more than the sum of your parts, evoking instant images of home and family.

I can't wait to get to know the lucky person who gets to join you in that.

El Conquistador (Mike Can3@???.com): Congratulations to both of you! I am so excited for you. Remember we're just across the street if you need ANYTHING!

Wob (Wob@???.com): Sup

Aaron (athomforde76@???.com): I can't wait to meet her!!

I'll be a happy Uncle.

Maureen (h20polorox@???.com): Yahoo for new baby!

Tristan (): Congrats!!

Matty (Mani) (): Congrats you two! <

I wanted to say Colleen but I guess it'd be a little mean to name her that, eh?

Liz (): <3 Can't wait to see her <3

Sarah Becker (sarahbecker30@???.com): Blessings on your day! Enjoy all!

Joy (): I agree with Heather about the name, obviously. I just don't think you guys gave up on the name Violet.

D'Ann (JWB) (literarybeauty@???.com): I am so happy for you guys! It's like the perfect techie fairy tale!

Bill Morrison (william.morrison@???.edu): COngratulations!!!!

Ross and Val (): Well, if it was a boy, it would be Floyd, so Floydina is certain to be the first name. Or maybe LaFloyd. Or Floydicia.

Amber LaShae (alashae00@???.com): I think she should have her mommy's initials - KKC. So we can call her KK since we don't call Kathy that any more. Love you guys soooooo much!!! 3 cheers for the addition of an intellectual to the human race. LOL

Shelly Barber (shelly.barber@???.com):

Susy Davidson (susyquk@???.com): Yay, it's soon, right? Eeek - I have little to no computer access since my laptop died and I have as yet to get the time to get it fixed! Good luck guys, hope it goes really well - lots of love
