Statistics

Gender:	36 Boy (51%) 35 Girl (49%) 71 Total
---------	---

Lisa Eastman (frozenones@???.com): 7 pounds 16 ounces 19 inches long.

Congrats Emily. When I was pregnant with Joshua I drempt i was having a boy, When I was pregnant with Katie, I drempt I was having a girl, however, when I was pregnant with sean, I drempt I was having a mouse. LOL His favorite food however is cheese.

Shannon Hillinger (): 8lbs 5oz, 20 inches long.

Emma Thompson (): firey red hair and a cute little dimple in each cheak...face cheak that is:)

Staci Brock (trucksr4cowgirls@???.com): Congratulations!

Lauren Hartman (Laurenmhartman@???.net): Congrats Emily and family :)

Gina Strobel (ginahulsizer@???.com): 8lbs 7.8oz

That's how big my 2nd baby was....

Kate Rollins (): I guess a nice healthy 8lb 1oz. I also predict annoyingly long and tedious (but not painful) early labor lasting on and off for a few days... a breezy 6 hrs of active labor starting around 10pm and 23 mins of pushing... :P. You get a nap and then Simon wakes up with a new baby sister!

How's that for detail?

Paula Popp (paulapopp@???.com): I wish I knew a little more about Simon's due date and birth date! I'd make a more educated guess!

Shanna Jones (shanna@???.au): 7lbs2oz, 20in, bald

he he

Linda Holland (lindutch@???.net): I'm guessing a girl, especially if you dream about fruit (I dreamed I gave birth to tangerine slices when I was pregnant with Lindsay... and off they floated, up into the sky...) And I'm picking 10:10 a.m.! (aren't you glad I didn't say 10lb 10 oz?)

Emily Fontes (emilyfontes@???.com): I'm guessing 7lb 8oz.

Sarah Baker (syrup_princess@???.com): So exciting. I think it's fun you don't find out the gender ahead of time...it would be so hard not to! Conrats!

Rebecca Johnston (blackroses2007@???.com): 7 pounds 12 ounces, 20.5 inches long and born later in the day. between 5:30pm-10:07pm

Darrell Jesse (darrell.h.jesse@???.com): I had to guess "boy" since "alligator" wasn't one of the available choices.

Jessica (krebsj@???.com): I'm going with a boy on the 25th, because that is my brothers Birthday! Hope all goes well.

Anastasia Novosyolova (anastasia24@???.com): 7 pounds, 20 inches. Blond:) Congrats again! Hope you have a memorable birth experience!

Jessica Peterson (jessica@???.com): A Halloween birth would be fun! Though maybe not so fun for you to wait so long past your due date.

Hayven Allshouse (hayven.allshouse@???.com): I'm so super excited for your baby to come! I'm a really bad guess at gender. Sorry, but I have a 50/50 chance, right?! I want you to have a girl...but I'm feeling boy. 7lb .5oz, 21 inch. Born in the early morning! Like 3 or 4am! And you shall name him ...

Brooke (brooke.ricker@???.com): I'm voting for a baby sister for Simon. :)

Kathy Woodhead (cruiseco@???.net): Had to say a boy Emily...probably because I had two myself (thinking one was going to be a girl...) Whatever your bundle is, I know Simon will be a wonderful big brother. Best Wishes!

Elizabeth (purpleandsilverstars@???.com):

Erika McCann (erika@???.net): 8 pounds 2 ounce little princess coming your way!
Simon is going to make a great big brother!

Kari Ahrens (karialissa@???.com):

Meghan Rickard (meghanrickardphotography@???.com):

Julie (julielewis@???.net):

alison megahan (alison39@???.com): 7 lbs 10 oz

21in

Trina (trinaliannephotography@???.com): 7 lbs 11 oz
10:03 pm
21 in

Tracey Spencer (traceyspencerphotography@???.net): 7lb 9oz
10:25am
20 in

Stephanie W (weibelsp72@???.net): Congrats Emily! Your belly pics are super cute.

staci (staci.zohlen@???.com): 7 lbs. 10 oz.

Michelle (michelle_m_kelly@???.com): 7lbs. 13 oz.

Good luck!

Megan (meganzmartin@???.com): 7 pounds 3 ounces, 20 inches.

Congrats!

Amber (ambersan01@???.com):

Desiree (desireeprakash@???.com): 7 lbs 7oz

Paula (paulynha_lvs_@???.hotmail.com): Congrats Emily!!!!!!

Susan Jeffery (): 7 lbs 8 oz 19 inches long

Jenn H (cjhunton98@???.com): I say girl- but only because you've already hit perfection with a boy! Guessing she'll be 7lbs., 12oz.

Asia (): 7lbs 6oz

Morgan Espinosa (morganeldi@???.net): 7 lbs 5 oz. 19 inches

I'm always wrong so I'm sure you're actually having a girl on a completely different date.

Leigh Oney (oney.indiana@???.net): 7lb 8oz
21 in long

7:22 pm

Summer Oman (summer_lynn18@???.com): 8 lbs 3 oz
19 inches

So excited for you!

Kristin Mueller (annakristin@???.com): Not good with weight/length, but I'm guessing 8-9lbs like that lady on "Walk It Out" :).

For some reason I think you'll have a girl, but my gut tells me to vote "boy", so we'll see who's right--my head or my heart! lol

I'm so excited to find out! Congrats Em!

Amy White (thetallamy@???.com): I think I might be the latest guess on here. Sorry about that! :-) I was 2 days late w/ my first two and then a week and 1/2 early with my third. GO BOY!

Ashley Wilcox (ashleymwilcox@???.com): 7lb 2oz

I can't wait and I know we will all love the new baby, boy or girl (or alligator)!

Emily Jackson ():

Meagan Joy Prince (meaganjoy@???.com): 8.9 lbs, 24 inches

It's just a guess...

Kate Innes (kathryninnes@???.com): I am guessing a quick labor...

Kerri (kerrij@???.com): You will likely labor making a yummy batch of cookies with Simon, or more practical, rearranging your pantry. You're boy will weigh in at 7lb 13oz and 20 inches long. Put down a tarp under your birthing tub, in case it springs a leak. :)

Val (): I'm rooting for your 10-10-10 baby. ;-)

Jane (jane_peterson@???.net):

Carol Lynn (DoulaCarol@???.com): I picked a Sunday because of that old poem that starts "Sunday's child is full of grace."
And it's going to be a beautiful daughter who looks just like you! Okay, maybe another cute boy. Lucky little baby to have such a wonderful Mom no matter what it is!

DEb Oliver (debdo50@???.net): I think for sure its a boy ... only because your are the perfect mom with a boy... and two boys you will only be better... hugs to you ... 8lbs even...

Jessie Tripp (sjtripp@???.net): This is a tough one for me. Usually I have a feeling right from the getgo (I am not claiming I am ever correct) so I am going with a girl because I think you would be great with one.

Renee Bergeron (bergerondozen@???.com):

Kristie (kristiesfotos@???.com): So exciting!

Heather Bauers (heather@???.com): I say boy just because I have 2 and one on the way and just love being a mom of boys.

Alexis Brown (): 6 lbs 11 oz 21 in

Can't wait to meet that sweet little bundle!

Andi Morey Peterson (): 10/17 is my birthday and has brought me good luck, so I'm guessing that date, though since he (or she) will have you as a Mom, no luck will be needed! Congrats!!!

7lb 8oz 21.5 inches

Tanit Bruix-Fuste (tbruix@???.com):

Liz Chalmers (liz@???.com): I'm going with 8lb 6oz, because two of my babies weighed that. Labor will start while you're cooking, and will end before dinner. Note, I didn't say WHICH meal you were cooking, so that leaves a little fudge factor :)

Erin Nelson (erin.nelson@???.com): 7lbs 7oz

Good Luck ! I've loved watching your belly grow!

Mari S Thompson (thompsonfamilyfour@???.com): I will say 7 lbs, 12 oz. Congratulations on the upcoming event! Can't wait to hear what you're having!

patty (): Congrats...can't wait to see who wins :)

Bonnie Cameron (Cameron@???.net): I haven't seen your stats for your first pregnancy and I'm not sure about your info for this one so this is not a scientific guess. ;-) I'll say 20.5" 8lb. 3oz. 8:15 am

Joe Patterson (): Emily, I am so happy for you and your family. Best wishes with everything.

Ana (): Congrats!

Lindsey (lindsey@???.com): I'm also going to put in my guess for weight...7 lbs 6 oz. Good luck!

Janet Waite (janetblight@???.net): Congratulations to the lucky parents and big brother! :)

Laurie Miller (dharmabummer@???.com): 7 lbs 4 oz

Good luck & congratulations!

Melissa S. (): Just before midnight is my prediction. I am not convinced on the gender. 3540g.

Carol Vasconcellos (heycarolvasconcellos@???.com): Maybe this baby can make his/her appear in the end of the month,who knows? S/he could be a november baby!
