Stephanie (Sraustin123@???.com):

Daddy ():

Mommy ():

Crystal ():

Chrysti (): Nov 13 is a Friday! I haven't had a Friday the 13th birthday since my 14th I believe...darn leap year. It would be fun to have a niece born that day...yes I am odd and not superstitious. Oh and the birthday would be 091113 written in military date and I like the way it looks skipping every other number.

Papa ():

Kaitlin (): So I guessed almost perfectly with Kayley so it will be interesting to see how this goes! O and I want another 15!!!

Laura ():

Lone Butterfly (comfort1514@???.com): I had to vote for my own birthday! I am quite fond of November 17th (though I'm sorry that if you do go on that day...it will mean you're past your due date).

Good luck! I'm enjoying reading the blog.

Candace (candas70@???.com): This was tough! Can't wait to find out!

Kimberly ():

Uncle Tim (byrne.tim@???.com):

kimberly t. bowling (thebowling5@???.com): I really wanted to pick my birthday of 11-26, because it's fun to have your birthday fall on Thanksgiving every 7 years! But I didn't want you to have to wait that long to find out!

Mary McDonald (): I think you look like your carrying higher, so I'm going with girl! I still can't believe you've made it this far w/o knowing, congrats!

Katie Sundseth (Katiesundseth@???.com): YAY cant wait to meet him or her!

Janet (jab55@???.net): As I told you this weekend,it is a girl based on 136 heartbeat and verified by a friend who is correct 95% of the time! And Zach, it is NOT because girls are slower than boys, it is because girls can handle the pressure better than boys,so her heart is not stressed. Best of luck - can't wait to meet her.
Janet - Misty's Mom

Ed (): Sorry to upset your apple cart. You think you are going to have a boy. WRONG! Congratulations on your little girl.
