Rita Nimz (drnimz@???.com):

Kelly Bender (ronandkellybender@???.com): I have no idea what to say, I stink at guesses. I wish you the very best of luck throughout the rest of the pregnancy and for an EASY FAST delivery!!!

Molly Kelly (mollyekelly@???.com): Can't wait to find out!

Jacqueline Bonneville (jkbonneville@???.com): Cole would have been 'Brynn' and I still love the name=) Best of luck Summer!

Jeanna Blume (MissyMissBug1977@???.com): No one really knows what the day will be but the little one growing in your belly. No matter when he/she decides to come, it will be an amazing and life changing event for you both. Time is winding down quick, and it will be here before you know it.

Deborah R Tetzlaff (debtetzlaff@???.net):

Michelle Bender (michellebender@???.com): I am so excited for you both! March is a great time to have a baby!
I couldn't guess a name....I have no clue.

Lise True (ltrue@???.edu): The suspense is killing me! My best wishes for a speedy delivery!

Janis Nelson ( ): I was going to say the name Superfly, but I think that's reserved for your next dog?! Speaking of dogs, we can pick Sammy up if you need to race to the hospital on March 3rd!:) Congrats!!

Grandpa Blume (rfblume@???.net): Wow! A ice fishing, soccer playing kid with a great sense of humor. What more could you ask for?

Reid Nimz (reid@???.com): No - I don't know what the sex is, so copying my answer isn't going to help you.

Jeff Jergerian (jeffthx@???.net): Good luck, guys! Please don't name your child after a state. There are more than enough Dakotas out there already.

Grandma Blume (jcblume@???.net): Wanted to keep the name seasonal. If baby was born in the fall I think Autumn Nimz would be a beautiful name! However, that probably wouldn't work for a boy.

May your labor be quick and the delivery easy!

George Woods (woods835@???.net): I am so happy for the both of you! I will be anxious to see th little sweet pea.

Summer Nimz (summer@???.com): I'm pretty sure that while I told the baby not to come on a Tuesday night, specifically during Lost, she (or he) will!

Lisa Duchek (irisheyes@???.com): Ok, so I totally know you are not going to name your kid Bob or any variation thereof, but I couldn't resist! LOL! I was also gonna say bald, but given your heartburn, I think that kid has got some hair! I cannot wait to meet your little bundle!!!!!! :D

Brian Duchek (brian.duchek@???.com): Yep. A boy named Andrea. He'll have to be tough. Shouldn't be a problem tho, since you'll be bringing him home in March in MN. That'll toughen him right up! Keeping all paired digits and appendages crossed for you guys!

Walter Burden (walterburden@???.net): This is Nancy's Birthday, so it's a good one! Good Luck and Congrats. I will have Nancy send you a Chicago Baby Newsletter ;-> Walt

Matt Nelson ( ): Number 19 has been good to you both, me as well. I know it's past due, but the 19 must continue!!!

Carl Hendrickson (carl.hendrickson@???.com): Congratulations to the two of you. This will be a great adventure :)

Margit Rezabek (dmrezabek@???.com): Wishing you a miraculous, awe-inspiring birth experience! And regardless, he or she will be so worth it!

Dorothy Misura (dotty39@???.com): Let's hope this baby is as happy and cheerful as her mother - especially in the morning...at sunrise!

Mike Cepek (mikecepek@???.com): Congratulations again! It's going to be an incredible day when baby makes three for the Nimz household. Best wishes.

Debbie Marx (debbie.marx@???.com): Congratulations. Babies sure are fun!

Kim Cathman (kim.cathman@???.com): Wishing you a wonderful delivery!

Alison (Rezabek) Higgins (alison.rezabek@???.com): Congratulations in advance! Looking good!

Great Grandma Rezabek ( ): Welcome and God Bless you Baby Nimz.

Stephanie Suter (stephanie.suter@???.com): Wow! 30 weeks already! Congrats :)

Beth & Curt Gray (grayunit@???.com): You two will be wonderful parents! Lucky kid. We are so happy for you!!!

Shelly Redmond (laurenandrach@???.com): Very fun! Can't wait!!!

Nancy Burden (ndburden@???.net): March 9th is the best day to have the baby! Never mind that it is my birthday!! Seriously, best of luck the rest of the way!!

Laura J Lazan (laura@???.com): I'm so happy for you guys!! What an exciting time! I just put my son's name in b/c obviously I have no idea what you're thinking for a name! Can you believe it was 6 YEARS ago that I was in your same spot??? Time flies!! Enjoy every moment!!! :)

Uncle Dale Rezabek (dmrezabek@???.com): Of course, she will be beautiful, successful and famous as "Suedo Nimz" with parents like you two! If a boy, select another name but he will be handsome, successful, and famous as well. Have fun and enjoy!

Ella & Andy ( ): We can't wait to meet Baby N!

Derek Blume (dhblume@???.com):

Michael Lambert (ohthatmichael@???.com): Sammy's little brother!

Bonnie (boucher@???.edu): Best of luck guys! Can't wait to meet Charlotte!! :)

Greg Rezabek (gregrezabek@???.com): Congratulations! Wishing you a happy and healthy baby.
